Message from the President

Gary Matthews

Happy days are here again! We've waited almost a year and a half to dance again, but now the time is near! We so look forward to seeing you all again; having fun dancing, reconnecting with old friends and making new ones.

A lot of work has gone on behind the scenes to keep the club operational during the pandemic and to prepare to dance again. I especially want to thank our Board members; Jane Arnold, Laura Spivey, Randy Sherrill, Rick Walton, and Frank Covill, for without their dedication, time, and effort, the necessary things would not have gotten done. I also want to thank member Donna Wald, who along with Laura Spivey, conducted a venue search and helped to decide upon moving to the VFW (Please read more about the change and the VFW in this Newsletter).

Additional thanks are due to those couples who hosted our small group gatherings in June; Jim/Pam Breedlove, Ken/Linda Schafer, Phil/Donna Wald,

Rick/Ruth Walton, Gary/Rae Matthews. All who participated had a great time, and some groups plan to continue to meet.

As we begin dancing again, we recognize how much impact the pandemic had on us; at least one member passed away from Covid and others contracted Covid. From a club perspective, having to shut down early last year really impacted our membership. We had over 130 members at the end of 2019, and we had a lot of momentum, but in 2020 only 68 members were able to renew.

Financially, as a very new club (Feb. '19), we have some cash on hand, but we don't have much room with which to play. Growing our membership will be very important to our ability to provide the membership with the type of club we think you'd all like to have.

The Board thought long and hard about how to factor the impact of a lost 2020 into the needs of the club in 2021, and made some hard decisions about membership renewal,

For 2020 members, we do need you to renew. For those who did not have the opportunity to join in 2020, please consider rejoining. And, please, encourage others to check out our club and consider membership. Membership is a great way to meet people, dance a very popular local dance style, have a really great time, and all for a very reasonable cost. Please read more about renewal in this Newsletter and from our separate email communication.

I'll be seein' ya on the dance floor!

OISC Upcoming Dance Schedule - Jane Arnold

The OISC is booked at the VFW in Calabash through January, '22 for now. Our normal schedule is going to be the third Saturday of the month, but for this year due to schedule conflicts with the VFW, we had to alter October (will be on the second Saturday) and November (will be on the third Friday). We expect to be able to work with the VFW to maintain a consistent third Saturday schedule for next year. Please check out the schedule to the right for the rest of this year.

Introducing VFW Post 7288

the New Dance Venue for the Ocean Islanders Shag Club

Rick Walton

After a rigorous search by the venue search committee, the Calabash VFW post was chosen as a centrally located, affordable facility with a nice dance floor and enough space to comfortably accommodate the Ocean Isle Shaggers.

If you have never been to the Calabash VFW post for their locally famous monthly Sunday Breakfasts or to play Bingo on Thursday nights, then you have surely driven right past it's street every time you drive through lovely Calabash.

Located at **900 Carter Dr., Calabash, NC 28467**, it is near the Calabash town park and diagonally across from the Elks Club. If you pass Callahan's...you've gone too far! Plug the address into your Navigator, but here's a hint: Turn left on **Persimmon Road**, just before the Calabash Creamery Ice Cream store (Yes, I know you've been there!) And cross over **Thomasboro road**, pass the Firehouse and town hall on your left then turn left on **Traders Lane**. (The Calabash Town park will be on the right corner. This is where their Summer concert series is held). Traders Lane dead ends onto **Carter Drive**. Turn Right and you will see the VFW hall on the left where you will find a large, blacktopped parking lot. Running late and can't find a spot? Overflow parking is available along the street.

The VFW (Veterans of Foreign Wars) traces its roots back to 1899. Its members are veterans that served in a war zone and auxiliary members made up of volunteers with a family member who served in a war zone. If you are a veteran that served in a war zone you are invited to apply for membership. The VFW is a strong advocate for issues surrounding Veterans rights and benefits. Aside from the social aspect of the VFW for their members, they have a reputation for community service. Annually, the nearly 1.6 million members of the VFW and its Auxiliaries contribute more than 9.4 million hours of volunteerism in the community, including participation in Make A Difference Day and National Volunteer Week.

We are happy to support the local VFW by renting the hall and hope you will find it a convenient and pleasant place for our future dances.

Don't forget to wear your shag shoes! Can't wait to see you there!

Why Not Brick Landing Country Club?

Jane Arnold

I am sure a lot of you are asking this question. Brick Landing was indeed an exceptional venue with a great dance floor and an amazing view, but there were many reasons why the Board decided to move our dances:

1. Brick Landing is under new management, and their post-covid rates are more than double the rates we paid before. We would have had to at least double our membership and per dance fees and/or have a minimum of 100 dancers attend to cover costs. This seemed an unreasonable expectation for the immediate future.
2. Brick Landing is wedding venue and because of that they would not let us book any Friday/Saturday for a dance... only Sundays-Tuesdays were available. It was very clear from the survey, that Friday/Saturdays were most desirable. So, this was a huge problem.
3. Because Brick Landing can charge MUCH more for a wedding/large event, we were warned that our reservations were not firm. Any booking could be bumped for a wedding or other large event provided they gave us a minimum of a 30-day notice.

Once it looked like Brick Landing was not likely to be affordable, the board formed a venue search committee and they surveyed many possible venues in our local area. These were:

- Brick Landing
- Silver Coast Winery
- Slate & Cypress on Hickman road
- The Isles Restaurant & Tiki Bar, OIB
- Savilles on 2nd, NMB
- Sea Trail's Magnolia Room
- Sea Trails Property owner's clubhouse at 200 Station Trail, Sunset Beach. (Not to be confused with the Sea Trail golf community.)
- Thistle clubhouse
- Calabash VFW

Calabash VFW proved to be the most cost-effective and the most accommodating venue. In addition, we qualify for a member rental. (Thank you to Rick and Ruthanne Walton for sponsoring us.) The VFW will allow weekend rentals for our dances and reservations are firm. No bumping!

Here is some great news! The VFW drink rates are VERY reasonable: \$2 beer, \$2.50 wine and \$3 mixed drink. That is something that is VERY hard to beat. So, be sure to enjoy the libations while attending our dances! We have the option to sell food or bring our own food. Consider signing up for the food committee to make decisions regarding selling/bringing food.

While our survey stated that members would be willing to pay extra for a premium dance venue, like Brick Landing, we did not feel we could sustain a shag club at this moment in time at their current price point, especially if we could not schedule weekend dances. But as our numbers and stability grows, the Board promises to re-evaluate this decision on an annual basis.

The board is looking forward to seeing you at our first dance on Saturday, July 17. Please share with your Board what you think of the new venue! Also, if you know of a better venue in the area that we did not investigate, let us know.

John Hutton and Katy O'Neill aboard the Coral Princess Cruise Ship

John Hutton and Katy O'Neill, Shag Instructors Extraordinaire!

Most of us learned our first shag dancing steps from John and Katy, as they have been teaching at the Calabash and Shallotte Senior Centers for many years.

What a year they have had! They started off the year with a cruise around South America. Then Covid hit while they were in-route, and they were stranded on the ship Coral Princess when they returned to Miami. What was supposed to be a 2-week cruise turned into more than a month! North Carolina Senator Thom Tillis' office kept them informed of the disembarking process while they were docked in Miami, and Princess Cruise Lines arranged for a charter flight for 44 passengers to Charlotte, and then also a private car to drive John and Katy home to Oak Island from Charlotte.

Katy tested positive with Covid, contracting it at some point while on the cruise, but John did not. Katy had a pretty rough time of it for a while, but has fully recovered.

Many of us knew that John had been having problems with his hip/back, and had scheduled surgery upon his return from the cruise. Unfortunately, the surgery was less than successful, and has been followed by several more surgeries. These additional surgeries were also unsuccessful, and John is still in a lot of pain, except amazingly while shag dancing, which is great because that is one of the great joys of life for them both. They can still be seen shagging at the SOBS dances and at the OD pavilion most every Sunday afternoon.

Please keep John and Katy in your prayers as John undergoes "experimental surgery" on July 14th and 28th at Duke Medical Center in Durham, to embed devices that will hopefully enable him to "turn off" the pain. John and Katy, from your friends at OISC, "we love you and miss you"! With any luck, we will see them on the dance floor at an OISC dance this fall!

Board of Director/Officer News

Frank Covill has elected to resign from the Board as of the end of June, so that he may more freely pursue those things for which retirement is meant. Frank, with his many years of experience serving other shag clubs, has provided great insight to ours. He will continue to be a valuable member of OISC, and he will serve as he is able in an ad-hoc capacity. From the entire Board, thank you Frank!

We do now have an open position of Treasurer. If you are interested, or would like to recommend someone, please contact any Board member (or you may get a call from us anyhow ☺).

Did You Know?

There are almost 30 people from the Ocean Ridge Plantation Community taking beginning shag dance lessons right now with Steve and Kitty Earles as instructors! Steve and Kitty have over 30 years of experience as instructors, and Kitty is a local shag DJ. And, there are others wanting to take lessons who could not this time around. It's really great that so many people are interested, many of whom have never previously even heard of shag dancing.

And....., Pass It On

It's great that Chuck and Sandy Boney, also long time shag instructors, have decided to provide lessons to the greater Ocean Isle area as noted above. They have been teaching in the Oak Island area for several years. OISC has been searching for instructors who have a location from which to provide lessons that would be available to everyone in our club, as well as those in the community who are beginners and not (yet at least) members of our club. Along with Steve and Kitty, they provide great options.

2021 Membership Renewals

OISC Dues/Fees

Normally, the membership year runs from January 1st to December 31st, and annual dues from members are for the annual amount without proration. This of course has been anything but a normal year and half.

2020 was pretty much a lost year, as has half of 2021. For those who renewed in 2020, you may feel as though you didn't get much for your dues, and since half of 2021 is gone, should we require payment of the full annual amount from those 2020 members? What about non-members who join this year?

All good questions, but also to be considered are the status of our club after the pandemic, especially since our club is so new. We've had so little time to build the club and become as sound as we would like, and there is uncertainty as to how quickly dance attendance will return.

Other local clubs have taken differing approaches to 2021 membership depending on their history and current status, with some requiring full dues from current members while prorating new members, to some not requiring dues from current members and prorating new ones.

After discussing all the factors, the Board has decided the best solution for OISC to recognize value to our members and to manage risk to the club is to ask 2020 members to renew for 2021, but at a half-year prorated amount. New members joining, or rejoining, in 2021 will also be charged a half year prorated amount.

For 2022 and forward, current member renewals will be for the full year amount, with new member dues prorated to the half year time frame in which joining occurs (i.e. full amount from January through June, half price for July through December).

Please see the information to the right for OISC Fees. All 2020 members, as well as those who were members in 2019, will have received separate communication from the Board regarding renewal or rejoining.

¹Annual Membership - \$30/person

For 2021 - \$15/person

Payment due as of July 1, 2021

²For 2022 - \$30/person

Payment due as of January 3, 2022

¹Subject to review and change by the Board at any time.

²New, not existing, members joining within a year will be charged an amount based on when they join, either in the first (full price) or last half (half price) of the year.

¹Dance Entry Fees

²\$5.00/person – OISC Members or
Members of Other Shag Club

\$10.00/person - Guests

¹Subject to review and change by the Board at any time.

²OISC Members will not be charged an entry fee for the month in which they join or renew.

OISC Financials

The club came into the year with \$516 in cash on hand. The ACSC waived renewal fees for clubs for 2021, but the NFA (National Fast Dance Assn), which provides copywrite licensing for clubs, did not. We also paid the annual fee to maintain a domain name, which will be used later by the club.

In June, we paid the VFW a one-time damage deposit and paid ahead for the July dance. There is now \$206 cash on hand.

We'll need to clear \$370/dance to cover venue and DJ costs, which does not cover other club costs to be incurred during the year. More specific financials will be reported in future communications.

OIB Small Group Dance Parties *Jane Arnold*

What a great success! We had several members of OISC express interest in, and attend, small group gatherings, in consideration of Covid guidelines still in effect at the time. Many of us had not danced much at all since the pandemic began and were quite rusty. It was not uncommon to hear someone comment to their partner, when looking at the name of a shag move, 'do you remember how to do this'?

There were two or three couples who attended who had never taken shag lessons, or were very new, but were very interested in learning. These small gatherings were a great way to introduce them to the basics of shag dancing.

Everyone commented on what a great time they had, that they were glad to get back to dancing, and how nice it was to meet people they had not previously known. Some groups expect to continue to gather for some time.

A special thank you to the hosts couples for helping make these parties happen; Jim and Pam Breedlove, Ken and Linda Schafer, Phil and Donna Wald, Rick and Ruth Walton, and Gary and Rae Matthews.

Shagging Shoes

Laura Spivey/Jane Arnold

One of the keys to a good shag dancer is their footwear. Regular sneakers and sandals can work if you're desperate but really are not an ideal choice. You need a shoe that can slide and glide across the floor to be able to make those spins and turns look effortless.

Shagging shoes are really no different from any dance shoe. They should be comfortable and have a leather sole. Some shag shoes have suede soles which are great on the dance floor but could be ruined by wearing them outside. Other shag shoes can handle outdoor wear. Best to do your research before you buy.

Great dance shoes can be found online usually cheaper than local. Here are some websites to try: shagshoes.com, lowpricedancewear.com, and saveondancewear.com. If you prefer to try them on before you buy, the best local store is Shoe Center in North Myrtle Beach, SC at 701 Hwy 17 South, Suite 1. Several of the ladies in OISC have purchased from Shoe Center and give a glowing recommendation! The Bass Weejun (penny loafer) for men or ladies is the most iconic style, but you will see a plethora of styles on the dance floor.

When you start planning on what to wear to our next dance. Don't forget to take care of those feet. Get a style that speaks to you and we'll see you on the dance floor!

OISC Phone Tree

The Board, through the leadership of Jane Arnold, is establishing a club phone tree. A phone tree for our club is a group of members who are willing to make phone calls, and/or use other forms of communication, with a handful of other members as appropriate to assist in providing information and general follow-up regarding club activity. One of the first uses for our club will be to personally invite current and former club members to the 'Beginning Again' dance on July 17th. If you would be willing to be a person to make calls, please reach out to Jane.

Shagging in North Myrtle Beach

Mojo Randy Sherrill

Hello Ocean Islanders Shaggers,

Our shag club is just a few miles from the Center of Shagging, Ocean Drive (OD), South Carolina. This is where our shag dance began. There are still wonderful venues in OD for shaggers to enjoy our dance. We are going to discuss just one of them in this newsletter and others venue in later newsletters.

Our first venue is called Fat Harold's Shag Club (FH). It is located on main street in OD. There are DJs there almost nightly and occasionally they have beach bands. The best nights to go dancing at the Fat Man's House is Wednesdays and Fridays. Wednesday evenings are where the locals go to dance with 94.9 The Surf broadcasting live from 6pm - 9pm. People come from many miles just to shag. They have a DJ in the front room and one in the back room. Music starts at 6pm and goes until. They have a great grill where they are famous for their fried Bologna sandwiches. Happy hour goes on till 8pm. They have a DJ on Saturdays playing our favorite songs. Hopefully they will get back having DJs on Sunday afternoons.

Fat Harold's is a great place to come to dance but there are also shag lessons for the beginner and more advance shaggers. At this time Charlie and Jackie are teaching lessons on Mondays. Charlie and Jackie are 9-10 Time Overall National Shag Champions. Members of the Shaggers and Swing Dance Hall of Fame. They teach beginners at 7pm and advance shaggers 8pm. The cost is \$10 per person and you do not need a partner. On Tuesdays you can learn some history of the dance we all love. Mandy will instruct you in some history of shagging and then she will teach you the basic step. So if you are new wannabe shagger or someone who wants to work on your basic step Tuesdays would be a great place to start. The cost is FREE!

So come on down to OD and check out the world of shagging. See you there soon!

Meet Your Club Board/Officer Members

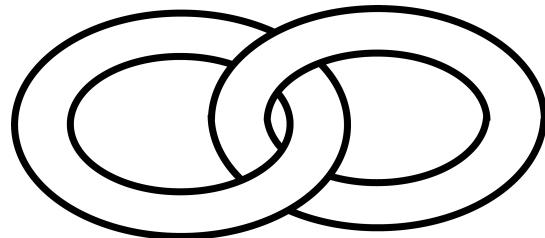

Jane Arnold, Secretary

Jane moved to Ocean Ridge Plantation with her husband, John, in January 2019. As long-time natives of Pittsburgh, they drove south for vacations in both Myrtle Beach and Topsail Beach for many years. When their children, Jennifer and John, both decided to attend college in the Carolinas... Jennifer at Duke University (Go Duke!) and John at the University of South Carolina (Go Gamecocks!) this meant more road trips. They even honeymooned in North Myrtle! As a result, they were no strangers to the beautiful weather and friendly people in the Carolinas and when it came time for retirement, they knew they wanted to escape the northern winters and live close to the beach.

Jane grew up in an Air force/Airline family (born in Fayetteville, NC) and has lived in many places in the US and abroad including Fort Lauderdale, Fl, Berlin, Germany and even attended high school at a boarding school in England. She went to college in Pittsburgh where she met her true love and husband, John, born and bred Pittsburgher! After graduating from Carnegie Mellon University, she worked as a Software Engineer for Westinghouse and after it was sold off she became a Computer Science Professor at a small liberal arts college, La Roche College near her home in the North Hills of Pittsburgh.

Through the years, Jane & John have watched couples shag dancing especially at parents' weekends and on beach vacations. Once they made the move to OIB, they decided to take beginner lessons at the Shallotte Senior Center with John Hutton and Katy O'Neill. And as they say... the rest is history!
