### President's Message

Per The Farmer's Almanac, we're at the end of the 'Dog Days of Summer' (with apologies to the dogs out there). Let's hope so; the heat & humidity are getting 'old'! It makes us just want to stay inside (& dance?).

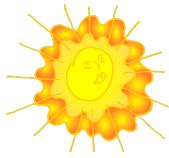

It's been a year since we opened back up in July '21, 'post' pandemic. Looking back, we've accomplished quite a bit, and we continue to work to grow our club and make it into something you will cherish.

We've slowly gotten our membership back to where we ended '21, and we had our best attended dance of the year in July, with several new and renewal members joining! Financially, we continue to grow stronger, certainly in much better shape than a year ago. Currently, we're working to finalize dance volunteer and nominating committees, and we've just launched our club's website. We've also recently partnered with a great dance instructor team.

We're headed in a good direction! Thank you for all of your support, and keep encouraging your friends and neighbors, shag dancers or not, to join in the great fun that being a part of the Ocean Islanders Shag Club brings. Let's keep the shaggin' going strong!

### OISC Website

We've launched our website! Check us out and let us know what you think: [www.oceanislanders.com](http://www.oceanislanders.com). It's still a work-in-progress, as we need to finalize a hosting site, among other things.

**Please Join in the Fun!**

# Carolina Shag Dance Lessons

With  
**Darrell Gaither**

Darrell is a professional Carolina Shag Dance instructor with over 25 years of experience and thousands of classes taught. Darrell and his instructor partners work very hard with students to ensure that they become the best dancer possible by emphasizing smoothness, technique, style & grace, execution, timing, and connection. The result is the student becomes a dancer, not a 'stepper'.

Darrell emphasizes that his only guarantee is that a student will not learn the Carolina Shag in one hour per week. He firmly believes that students should practice a minimum of 20 minutes per day between classes! Darrell notes that classes are group lessons, so practice time is important so as not to hinder the entire class moving forward.

Regarding classes, Darrell notes that there are no make-ups or refunds, with fees due at the beginning of each 4-week session. Darrell charges \$45 per person per 4-week session. If a person should miss one class lesson, a time will be worked out within the next class to catch up. In the event of, or threat of, foul weather classes will not be held. If there are any doubts, contact Darrell: [gaither@mindspring.com](mailto:gaither@mindspring.com), or text 336-682-3266.

## ***About Darrell's Classes.....***

**Beginner:** This is a 4-week session consisting of basic step, a male and female turn, and the lead out of the dance.

**Intermediate:** This is a 24 week session broken down into six (6) four week sessions (Only pay 4 weeks at a time). These sessions are filled with "basic" shag steps and moves, including male and female lead steps, lead/follow steps as well as variations of a host of basic combinations. These steps allow the male or female to dance with any partner in any situation and feel confident. Darrell requires everyone to complete the beginner and intermediate sessions prior to taking the advanced classes. This may seem like a lot, but in reality it is only the beginning.

**Advanced:** This is a never ending session. This is where you begin to learn a host of advanced steps used by the more experienced dancers. At this level you will begin to sharpen your skills, develop your own style, and will begin to make up your own variation of steps. So much more fun at this level.

## ***A Word about Shoes.....***

Proper footwear is critical to dancing. For ladies, 'flats' that fit snugly with leather or suede soles are recommended. Men should wear loafers or lace ups with leather soles.

## Name Tags

**Name tags for new members have arrived!**

**OISC provides name tags for all members\* upon joining, so if you're a member and have not received your tag, you can obtain them at a future dance, or you can contact Pam Breedlove, [ncoisc@gmail.com](mailto:ncoisc@gmail.com), to arrange delivery.**

**OISC has purchased a limited number of magnetic attachment backs for the tags (the tags come with a pin attachment). The club will sell these for \$3 each. These will be available for purchase at future dances. We can obtain more depending on demand.**

Replacements for lost tags are \$5 each

\*Does not apply to Associate Members

## Want to Learn a Step at a Dance?

We often get questions like, 'will someone be available at your dances to demonstrate a shag step', or if they're new to shag, to 'show them the basic step'.

Beginning with the August dance, we'll have designated members available to help any attendee upon request. This is not intended to be a lengthy dance lesson, but merely to demonstrate a step, be it the basic or something more advanced. Additionally, if you see someone do a step that you like, most people are happy to demonstrate it; just ask them.

Jim and Pam Breedlove are designees for August.

## OISC Financial Report- July 2022 Ending

July 2022 ending cash on hand is \$3,079.20, up substantially from \$2,630.00 June ending. The net gain from June is \$449.20, with unrealized liabilities of \$252.50.

Income for July was \$800.00, mostly from membership renewals, dance fees, and the 50/50 raffle (winnings were donated back to the club). Expenses were \$350.80, primarily for the DJ fee, venue rental fees, and miscellaneous dance costs (covering the patriotic theme). The unrealized liability is for new member name tags and magnetic backs for the tags.

**FROM THE "STATE  
SYMBOLS USA"  
WEBSITE:**

**Shag**  
*North Carolina State  
Popular Dance*

North Carolina designated the shag as the official state popular dance in 2005 (clogging was also named at this time as the state folk dance). The Shag is a type of swing dance that developed during the 1930's and 40's combining nimble footwork with upbeat rhythm and blues (known as beach music). Shagging originated at open-air beach parties on the North and South Carolina coasts. South Carolina also recognizes the shag as a state symbol.

The Carolina Shag is a form of swing dance, or jitterbug. There are many other styles of swing dancing such as: Lindy Hop, New Yorker, Dallas Push, Houston Whip, Imperial Swing, East Coast Swing, and West Coast Swing. Swing is dancing competitions are held nationally and internationally.

## Dance Like Your Doctor is Watching?

A [time.com](#) article from December of 2018 by Jamie Ducharme is titled 'Dance Like Your Doctor is Watching: It's Great for Your Mind and Body'. We have recently extolled the health benefits of dancing, in addition to the fun of course, but here is an article referencing studies that offer support, if not proof.

There is a link to the article, as well as a QR code if you prefer, at the bottom right of the of this section, but here are a few take-aways:

Dancing showed more benefit in helping some remain independent during aging than other types of exercise

Women who frequently danced had a 73% lower chance of becoming disabled during the study period

"Dancing requires not only balance, strength, and endurance ability, but also cognitive ability: adaptability and concentration to move according to the music and partner, artistry for graceful and fluid motion, and memory for choreography"

Aging adults (must be talking about our parents, right?) who engaged in mind-body exercise, and more specifically tai-chi or dancing, could improve global cognition.

Caveat, neither study proved that dancing causes health benefits, only that health benefits are associated with the outcome.

But, these are not the only studies to suggest that dancing comes with health benefits.

## SOBS Charity Golf Tournament October 21, 2022

It's on the calendar! Please save ***Friday, October 21, 2022***, as the date for the **Society of Brunswick Shag Club's 2nd Annual Charity Golf Tournament**. Again, the tournament is being hosted by Carolina National Golf Club who provided SOBS with great support for the first tournament last year.

Last year SOBS raised \$4,800. There were 11 "hole sponsors", 8 monetary donations, and 8 prize donations. SOBS would like to have your support to help get "Golf Hole Sponsors". For a \$100 sponsorship fee, a (18" x 24") sign will be placed at the tee box of one of the tournament holes and recognized at the award ceremonies. Sponsors from businesses, individuals, "In Memory of..." or "In Honor of...", Birthdays, Anniversaries, etc. will be accepted. For this year's 2nd Annual Charity Golf Tournament there is plenty of time to really turn this into the best SOBS event ever.

Start getting that 4-some together and join in the fun while supporting the OKI VFW Post #10226, New Hope Clinic and S.O.A.R.!
